

# **Iliff** Preschool, KINDERGARTEN & SCHOOL-AGE SUMMER CAMP

Dear Prospective Family,

Thank you for your inquiry. Established in 1963, Iliff Preschool, Kindergarten, and School-Age Summer Camp is a privately-owned learning center, licensed for children age one (and walking independently) to age fourteen. We have seven developmentally appropriate classrooms which include toddler, preschool, pre-kindergarten and private kindergarten. Our campus offers eight developmentally appropriate play yards where we extend our learning from within the classroom.

All programs are offered during the academic school year and continue through the summer. Currently, our hours of operation are from 8:00 A.M. to 4:00 P.M., Monday - Friday. A summer adventure day camp for school-age children, post-kindergarten through age 14, is available to the children during the summer months.

We pride ourselves on the high standard of excellence we have achieved, including our degreed and/or credentialed staff, averaging over 25 years of service. Our early childhood teachers build on each child's individual strengths facilitating social, emotional, cognitive, and motor development and encouraging the growth of self-esteem, cultural identity, and independence.

You and your family are welcome to tour our center by appointment only, after school hours. Enrollment forms for admission can be found on our website at [www.iliffpreschool.com](http://www.iliffpreschool.com) when it is determined that space is available for your child/ren. We will notify you after your tour if space is available immediately or fulfill your request to be wait listed. In addition, registration for our preparatory full day and half day kindergarten programs and the summer adventure day camp for post kindergarteners and school-age children can be found on our website.

## COVID Precautions

Masks will be worn by children ages 3 and up, while indoors. Any individual (Parents, caregivers, teachers..etc.) who are not fully vaccinated must wear masks at all times (Indoors, outdoors, drop-off/pick-up...). Physical distancing in the classroom is used by keeping classroom ratios low, limiting the number of children in spaces, and during meal times. There is no combining of classrooms at this time. We will be sanitizing and disinfecting frequently touched surfaces (door handles, tables,..etc.) throughout the day. A large disinfection of all toys and surfaces will take place each night. We have removed all soft, cloth, and porous items from our classrooms. Daily Health screenings are used to assess children/staff for any symptoms/signs of illness. Each classroom has a designated path of entry to be used for drop-off and pick up. Contactless sign-in/sign-out system is used.

For tuition, fees, and specific program details, SCROLL DOWN toward the bottom of the page. More information about all our programs can be obtained by touring our center at 4140 E Iliff Ave., calling us at 303-757-3551, or emailing us at [info@iliffpreschool.com](mailto:info@iliffpreschool.com). Directions to our center can be found on our site: [www.iliffpreschool.com](http://www.iliffpreschool.com).

We look forward to partnering with you in providing a solid foundation for your child's future success in learning and in life.
